

I am writing to ask that you NOT allow LPFM stations to take over current FM translator services. We listen to FM 91.3, KLOVE, and it serves our community in a very large and vital way! It is a very positive and encouraging radio broadcast, and if it were displaced by an LPFM broadcaster, we would lose a VERY popular and meaningful radio broadcast. PLEASE do not allow public stations like these to be replaced by LPFM stations. We need stations like KLOVE to uplift and encourage our community and our families.

Thank you very much!!
